Dear colleague,

It is our pleasure to announce the thematic three-month program entitled "**Mathematical modeling of organization in living matter**" at the Institut Henri Poincaré (IHP) in Paris

Registration: free but mandatory

Important: the deadline for financial support requests is extended to

June 22th, 2021

The Institut Henri Poincaré can help you to find an accommodation during your stay in Paris.

Three conferences will be organized at IHP and accessible online :

- from January 10th to 14th, 2022: "**Tissue growth and movement**"

Registration for the first conference

- from January 31st to February 4th, 2022: "**Mathematical modeling and statistical analysis in neuroscience**"

[Registration for the second conference](#)

- from March 21st to 25th, 2022: "**Mathematical models in ecology and evolution**"

[Registration for the third conference](#)

A **closing school** will be organized at CIRM (Luminy), from March 28th to April 1st, 2022
