Dear colleague,

It is our pleasure to announce the thematic six-week program entitled "**Quantitative evolution, phylogeny and ecology**" at the Institut Henri Poincaré (IHP) in Paris

Registration: free but mandatory

Important: the deadline for financial support requests is September 1st, 2020

The Institut Henri Poincaré can help you to find an accommodation during your stay in Paris.

Two conferences will be organized at IHP :

- from January 11th to 15th, 2021: "**Ecology and co-evolution: from models to data and back**"

Registration for the January conference

- from February 1st to 5th, 2021: **"Phylogeny and inference: from models to data and back"**

Registration for the February conference

We are looking forward to welcoming you!

The organizers: Anne-Florence Bitbol, Claude Loverdo, Mikhail Tikhonov, Aleksandra Walczak.

PS: do not hesitate to spread the word and forward this e-mail to potentially interested colleagues and junior researchers including Ph.D. students and postdocs.

We can provide financial support in the limit of available funding.
