Dear colleague,

It is our pleasure to announce the thematic six-weeks program entitled "**Quantum gravity, random geometry and holography**" at the Institut Henri Poincaré (IHP) in Paris.

Registration: free but mandatory

Important: the deadline for financial support requests is June 15th, 2022

Two conferences will be organized at IHP :

- from January 16th to 20th, 2023: "**Quantum Gravity and Random Geometry**"

Registration for the first conference

- from February 6th to 10th, 2023: "**Tensor Models and Holography**"

Registration for the second conference

We are looking forward to welcoming you!

The organizers: John Barret, Dario Benedetti, Joseph Ben Geloun, Renate Loll

PS: do not hesitate to spread the word and forward this e-mail to potentially interested colleagues and junior researchers including Ph.D. students and postdocs.

We can provide financial support in the limit of available funding.
