Third announcement: registration for "Groups acting on fractals, hyperbolicity and self-similarity"

From April 11th to July 8th, 2022, at the Institut Henri Poincaré (Paris)

The conferences and courses of this program will also be accessible online.
Important: the deadline for financial support requests is October 15th, 2021

April 11th to July 8th, 2022

Organizers:

François Dahmani (Université Grenoble Alpes)
Anna Erschler (ENS, Paris)
Camille Horbez (Université Paris Saclay)
Dani Wise (McGill University)

ihp Institut Henri Poincaré

11 rue Pierre et Marie Curie
75231 Paris Cedex 05

Groups Acting on Fractals, Hyperbolicity and Self-Similarity

Thematic program with short courses, seminars and workshops

CIRM Introductory School
April 11th to 15th, 2022 (Marseille)

Mapping class groups and Out(F_n)
April 25th to 29th, 2022

Self-similarity of groups, trees and fractals
May 30th to June 3rd, 2022

Hyperbolic groups and their generalisations
June 20th to 24th, 2022

Dear colleague,

It is our pleasure to announce the thematic three-month program entitled **"Groups acting on fractals, hyperbolicity and self-similarity"** at the Institut Henri Poincaré (IHP) in Paris

Registration: free but mandatory

Important: the deadline for financial support requests is October 15th, 2021
The Institut Henri Poincaré can help you to find an accommodation during your stay in Paris.

An **Introductory School** will be organized at CIRM (Luminy), from April 11th to April 15th, 2022

Registration for the introductory school

Three conferences will be organized at IHP and accessible online :

- from April 25th to 29th, 2022: "**Mapping class groups and Out(Fn)**"

<div style="text-align:center">

Registration for the first conference

</div>

- from May 30th to June 3rd, 2022: "**Self-similarity of groups, trees and fractals**"

<div style="text-align:center">

Registration for the second conference

</div>

- from June 20th to 24th, 2022: "**Hyperbolic groups and their generalisations**"

<div style="text-align:center">

Registration for the third conference

</div>

We are looking forward to welcoming you!

The organizers: François Dahmani, Anna Erschler, Camille Horbez and Dani Wise.

PS: do not hesitate to spread the word and forward this e-mail to potentially interested colleagues and junior researchers including Ph.D. students and postdocs.

We can provide financial support in the limit of available funding.
